ABOUT ME

- **Being an enthusiast about AI&DS, I am currently a second-year student pursuing Artificial intelligence and data science. I also have basic knowledge of C++ and python and I am still exploring them. I am interested in the field of data science and analysis.**
- **I also have good leadership qualities and management skills. I can organize things efficiently and connect to people easily as I have developed them from my past experiences.**
- **I am also a quick learner and always willing to take on new challenges and opportunities.**

ACHIEVEMENTS

- **PR Coordinator at GDSC DYPCOE Akurdi**
- **Gold medalist taekwondo player**
- **Academic topper in junior college**
- **Completed A2 level german certification**

HOBBIES

- **Dancing**
- **Singing**
- **Playing sports**
- **Drawing**
- **Reading books**
